### The practical part: Task 10.

In the previous tasks we have analyzed separate endgame topics. Now it is time to integrate this knowledge.

#### Your task:

- 1) Go to the folder “Task” and open the 1<sup>st</sup> game. Analyze the whole game. Explain the reasons of all the moves of a winning side. Analyze different variations.
- 2) Go to the folder “Answer” and compare your way of thinking with a Grandmaster’s one.
- 3) Do the same with all the games from the folder “Task”.
