

DEFENDING CHAMPION

The practical part: Evaluate the position

The second task in the practical course is about **Evaluate the position**. It is very important to evaluate correctly the position in order to understand if it is time to attack or defend.

In the “Games” folder, you will find 10 instructive games, which illustrate the main ideas of the video lesson.

1) **Your task is to open the file:** “2 Task - Center vs flank”. Use a real chessboard and re-create the position there. Study each position for 3-5 minutes.

2) **Check the solutions:** Open the folder: “Answer - Evaluate the position” and check the solutions carefully.

Note: If you have problems finding the solutions, then, please, watch the third video lesson again.
