

HOW TO BEAT TITLED PLAYERS

The practical part: Task 7.

Your task is to analyze your past games. Try to improve your game by applying the ideas of this course. Find the ways how you could create more problems for your opponent.

When you find something new in your own past games – it is always very impressive. It will help you to remember these ideas very well.

Also it will help you to realize your chess progress, which will motivate you for a future improvement!

~~~~~

*It is the end of the course "How to beat titled players".*
